

To SM, HR, HW, JL

Re Times Literary Supplement review of Legend TLS April, 28,
1978/473/474.

If you have the time you ought to send them an airmail letter
addressing the review. Thomas is a top man, having written on
Cuba and The Spanish Civil War. His review goes a long way in
this world. The TLS is the most read review in the intellectual
world. The impact is fantastic.

Part of their reputation is built on candid letters to the editor.

(Do not let ire and outrage enter into your letter in the form of
slang, cliché, etc., but make it straight arrow talk.)
